

LETTER TO ALL CONFRERES

Object: *The process of revision of the Rule of Life*

Dear Confreres,

We greet you in the name of Jesus, missionary of the Father.

We write to you this letter to share with you the ongoing process of the revision of our Rule of Life. During the meeting of the Superiors of Circumscriptions which took place in Rome from 15th February to 1st March 2020, the central committee presented the synthesis of all proposals of revision gathered from the provinces and from single confreres. After reflection and discernment, it was decided to send back to all confreres the work done, as the XVIII General Chapter of 2015 had asked.

The committee asks of you therefore to take a final look on the proposals of change that emerged and to send us any other eventual suggestion.

We send you in attachment the complete text of the Rule of Life inclusive of the proposals that appear in red. We ask you now:

- To work *only* on the red text, which contains the proposals of revision of “some points of the Rule of Life”. New proposals of revision, however, are always welcome even on other points not mentioned before.
- To send your eventual suggestions to the provincial/delegation council of your circumscription, which will communicate them to the central committee by 31st August 2020. Or, by the same date, send them directly to the central committee:
 - Coordinator Fr. P. Castillo Matarrita Victor-Hugo (victorhugoca@gmail.com)
 - Secretary P. Léonard Ndjadi (ndjadimccj2@gmail.com).

We thank you for your attention to this process and we wish you a safe journey towards Easter.

Rome, 31st March 2020

The General Council

For the central committee
